

M E M O R A N D U M

DATE: JULY 20, 2010
TO: Kansas Water Authority
FROM: Bobbi Wendt, Diane Coe, Debra Baker, Hank Ernst
SUBJECT: Basin Advisory Committee Membership

At the June 2010 Basin Advisory Committee (BAC) meetings, the BACs made the following committee membership recommendations to the Kansas Water Authority (KWA):

- The Upper Arkansas BAC recommended Paul Tschopp for the Commerce/Industry category for a term that expires June 30, 2011.
- The Kansas-Lower Republican BAC recommended Galen Biery for the Water Assurance District category for a term that expires June 30, 2011.

On July 21, 2010, the KWA BAC Membership Committee reviewed the applications and recommendations of the BACs. The KWA BAC Membership Committee recommended that the KWA accept the BAC recommendations for membership as proposed.

With the approval of these two nominees, there are nine vacant BAC positions statewide. These include the Missouri (commerce and industry, fish and wildlife, and municipal), Neosho (recreation), Kansas-Lower Republican (other public water supply), Smoky Hill-Saline (fish and wildlife), Upper Arkansas (at-large/public, recreation), and Upper Republican (agriculture). These vacant BAC positions will be accepting applications through dates in September 2010 for consideration at the fall BAC meetings.

Nomination recommendations made by the BACs will be reviewed by KWA in November.

By consensus the KWA BAC Membership Committee recommends that the KWA accept the BAC recommendations for membership as proposed.
